

## Take Time for Tea

We offer a wide range of specialist loose leaf tea which we will brew to your own requirements using a warmed, individual china tea pot and vintage china cups and saucers.

Please note this means that when we brew the tea for you, we take out the tea leaves so that your tea remains at your preferred strength. **If you would prefer us to leave the tea leaves in please let us know.**

If you need help choosing, we'll be happy to give you advice. Semi-skimmed milk if required, is always served separately in a jug. Alternatively dairy free milk is sometimes available, or why not try a slice of lemon? If you enjoy your drink, all our teas are available for sale.

One pot of tea / cafetiere of coffee each is included in our afternoon teas, below of prices for additional pots/cafetieres, unless you are booked on a Tea Tasters Afternoon Tea which includes unlimited teas within a two hour period.
