Cakes for our special Afternoon Teas are not just slices of cake from our cabinet, but a mixture of specially made mini cakes for the occasion and will depend on which Afternoon Tea you have chosen. Bread is pre-ordered and brought in fresh from the local bakery daily, then hand sliced. We therefore ask for at *least 24hrs notice, which will also give us an opportunity to ask you about preferred sandwich fillings, choice of scone varieties and any dietary requirements. All our Afternoon Teas are served on vintage china tiered cake stands, with china tea pots, loose leaf tea and vintage china cup & saucers and silver plated cutlery.
